1. INTRODUCTION

The Behaviour and Discipline policy operates in conjunction with the following policies:

- Anti-bullying policy
- Exclusion Policy
- Special Educational Needs (SEN)
- Equal Opportunities policy
- Attendance Policy
- Safeguarding and Child protection policy and
- Disability Discrimination Scheme.

At Waverley Primary school we are committed to enabling all children to access education successfully. This is an “inclusive” process; part of this commitment is concerned with establishing a high standard of behaviour throughout the school. The way in which pupils and adults behave has a profound effect on all the work that is undertaken. Therefore a well thought out approach to this aspect contributes directly to both the social and learning aspects of our school.

To create an atmosphere where children are able to develop a moral awareness and are sensitive to the needs of others and one in which they will show respect and consideration for other people and property.

To praise and reward positive attitudes to behaviour and work and to maintain fairness and consistency, whilst encouraging self-discipline.

We recognise that high standards are best promoted when everyone (staff, parents and children) have a shared understanding of what is acceptable and unacceptable behaviour. By promoting good behaviour we can build individual and collective esteem and encourage good personal relationships.

- Ensuring a safe, caring and happy school
- Promoting good citizenship, good self-esteem, self-discipline and emotional intelligence
- Preventing bullying.

The Governing Body has a duty under S175 Education Act 2002 that requires them to make arrangements to ensure that their functions are carried out with a view to safeguarding and promoting the welfare of children.

2. Waverley Primary School PRINCIPLES of Behaviour

- Every child has the right to learn but no child has the right to disrupt the learning of others.
- Everyone has a right to be listened to, to be valued, to feel and be safe. Everyone must be protected from disruption or abuse.
- The fundamental approach is a positive one, drawing attention to, rewarding good behaviour and mutual respect
- Whole school approach to discipline with a clearly defined code of conduct.
- It is expected that all adults (staff and volunteers) will set excellent examples to the children in all their work.
- We will seek to give every child a sense of personal responsibility for his/her own actions.
- Effective communication systems
- Where there are significant concerns over a pupil's behaviour we will share the strategies we use with parents; working on an active partnership to promote good behaviour.
- Early support for developing problems.
- Strategies may be recorded in a Care plan or where there is a high level of concern, a Behaviour Support Plan.
- Bad language is considered to be unacceptable behaviour
- We will seek advice and support from appropriate outside agencies.
- Staff will keep abreast of current issues and initiatives.
- As the staff of the school we will constantly seek to inform ourselves of good practice and strategies to further improve behaviour and attitudes. This may be through periodicals and books, attendance on courses and advisory visits. It will be a high priority to disseminate such ideas throughout the staff.
- Corporate approach but with due regard for individual circumstances
- Opportunities for responsibility and recognition for non- academic achievement.

3. IMPLEMENTATION

It is recognised that the quality of learning experiences in the classroom will have an impact on behaviour. High expectations from staff delivering a curriculum matched to children's varying needs will help to motivate pupils promoting self-esteem and confidence, leading to order and self-discipline.

It is also recognised that external influences on children must be taken into account and related to the expectations of the school. The development of good relationships with parents will assist in the encouragement of support and understanding.

Finally it is important to reward those who behave well. Most children respond well to praise and there is something worthy of praise in all children. However it is important that children accept responsibility for their own actions through a clearly defined code of conduct understood by all. (**Appendix 1**)

IN ALL DISCIPLINARY ACTIONS IT IS ESSENTIAL THE CHILD KNOWS THAT IT IS THE BEHAVIOUR WHICH IS UNACCEPTABLE, NOT THE CHILD AS A PERSON.

4. THE ROLE OF THE HEADTEACHER

It is the role of the Headteacher, under the School Standards and Framework Act 1998, to implement the school Behaviour Policy consistently throughout the school, and to report to Governors, when requested, on the effectiveness of the policy. It is also the responsibility of the Headteacher to ensure the health, safety and welfare of all the children in the school.

The Headteacher supports the staff by implementing the policy, by setting the standards of behaviour, and by supporting staff in the implementation of the policy.

The Headteacher has access to records of all reported incidents of misbehaviour on CPOMS.

The Headteacher has the responsibility for giving fixed-term suspensions to individual children for serious acts of misbehaviour. For repeated or very serious acts of anti-social behaviour, the Headteacher may permanently exclude a child. Both these actions are only taken after the School Governors have been notified.

The head teacher must **publicise the school behaviour policy**, in writing, to staff, parents and pupils at least once a year.

5. THE ROLE OF GOVERNORS

Under Section 88(1) of the Education and Inspections Act 2006 (EIA), governing bodies must ensure that policies designed to promote good behaviour and discipline on the part of its pupils are pursued at the school.

Section 88(2) of the EIA requires the governing body to:

- make, and from time to time review, a written statement of general principles to guide the head teacher in determining measures to promote good behaviour and discipline amongst pupils; and
- notify the head teacher and give him or her related guidance if the governing body wants the school's behaviour policy to include particular measures or address particular issues.

Before making their statement of principles, the governing body must consult (in whatever manner they think appropriate) the head teacher, school staff, parents and pupils.

The governing body must provide clear advice and guidance to the head teacher on which he/she can base the school behaviour policy.

The governing body will notify the head teacher that the following should be covered in the school behaviour policy:

- Screening and searching pupils (including identifying in the school rules items which are banned and which may be searched for);
- The power to use reasonable force or make other physical contact;
- The power to discipline beyond the school gate;
- Pastoral care for school staff accused of misconduct;
- When a multi-agency assessment should be considered for pupils who display continuous disruptive behaviour.
- In providing guidance to the head teacher, the governing body must not seek to hinder teachers' powers by including 'no searching' or 'no contact' policies, nor to restrict their power to discipline pupils for misbehaviour outside of school.
- Governing bodies will also wish to consider their duty under section 175 of the Education Act 2002 requiring them to make arrangements to ensure that their functions are carried out with a view to safeguarding and promoting the welfare of children and their general duty to eliminate discrimination under section 149 of the Equality Act 2010.

The governing body will in consultation with the Headteacher consider what the school's response will be to:

- any bad behaviour when the child is:
 - taking part in any school-organised or school-related activity or
 - travelling to or from school or
 - wearing school uniform or
 - in some other way identifiable as a pupil at the school.

- or, misbehaviour at any time, whether or not the conditions above apply, that:
 - could have repercussions for the orderly running of the school or
 - poses a threat to another pupil or member of the public or
 - could adversely affect the reputation of the school.

6. THE ROLE OF THE CLASS TEACHER

It is the responsibility of the class teacher to ensure that the school rules are enforced in their class, and that their class behaves in a responsible manner during lesson time.

The class teachers in our school have high expectations of the children in terms of behaviour, and they strive to ensure that all children work to the best of their ability.

The class teacher treats each child fairly and enforces the Code of Conduct consistently. The teacher treats all children in their class with respect and understanding.

It is the responsibility of the class teacher to record significant incidents of inappropriate behaviour on CPOMS.

Teachers have **statutory authority** to discipline pupils whose behaviour is unacceptable, who break the school rules or who fail to follow a reasonable instruction (*Section 91 of the Education and Inspections Act 2006*).

The power also applies to **all paid staff** (unless the head teacher says otherwise) with responsibility for pupils, such as teaching assistants.

Teachers can discipline pupils at any time the pupil is **in school or elsewhere** under the charge of a teacher, including on **school visits**.

Teachers can also discipline pupils for **misbehaviour outside school**.

Teachers can **confiscate** pupils' property.

The class teacher liaises with external agencies, as necessary, to support and guide the progress of each child.

The class teacher reports to parents about the progress of each child in their class, in line with the whole-school policy.

7. THE ROLE OF TEACHING ASSISTANTS/MDSA

It is the responsibility of all staff to ensure that the school rules are enforced in their class, and that their group behaves in a responsible manner during lesson time.

The staff at Waverley Primary School have high expectations of the children in terms of behaviour, and they strive to ensure that all children work to the best of their ability.

All non teaching staff treat each child fairly and enforces the Code of Conduct consistently and treat all children in their group with respect and understanding.

Support staff should report any significant incidents back to the class teacher.

8. PARENTAL INVOLVEMENT

Staff welcome early contact if parents have a concern about their child's behaviour or fear that they are being upset by others. If parents and school work together we believe that the discipline and behaviour of pupils will be maintained and respected by all.

Parents can help in the following ways:

- By ensuring that pupils arrive punctually for the start of the school day.
- By ensuring that pupils have appropriate dress for school and PE so as to take a full part in all school activities.
- By supporting the school in our policy that all pupils are expected to behave in a responsible manner, both towards themselves and others, showing consideration, courtesy and respect for other people at all times. (See Code of Conduct Appendix 1)
- By ensuring that pupils show a proper regard for other people's property, buildings and the environment.
- By ensuring regular attendance at school and avoiding unnecessary pupil absence.
- By adhering to the Home-School Agreement, which details the agreed responsibilities of parents, pupils and teachers. (**See Appendix 2. Home-School Agreement**)

We value our partnership with parents/carers and encourage involvement in all aspects of school life including discipline and behaviour.

We aim to:

- Welcome parents into school and make them feel valued.
- Clearly define the role of parents in school, matching interests and skills to activities.
- Develop good communication between parents and school.

Parents are under a legal duty to ensure that their child (aged 5-16) receives a suitable full time education either at school or by making other suitable arrangements.

Where a child is not a registered pupil and other suitable arrangements are not made, the parent may receive a school attendance order from the **local authority** requiring them to register their child at a school.

For school-registered **pupils** or those attending Pupil Referral Units (PRUs), **parents** must ensure that their child attends punctually and regularly. If they do not, the **school** or **local authority** may ask them to sign a parenting contract or may issue a penalty sanction of £50 (rising to £100). The **local authority** may also prosecute a parent who fails to ensure their child's regular school attendance or apply to the courts for an education supervision order in respect of the **pupil** himself/herself.

Parents have a clear role in making sure their child is well behaved at school. If they do not, the **school** or **local authority** may ask them to sign a parenting contract or may apply for a court-imposed parenting order.

Parents must take responsibility for their child, if excluded, and ensure that they are not in a public place without good reason during school hours within the first five school days of any exclusion. If they do not, the **school** or **local authority** may issue a penalty sanction of £50 (rising to £100).

Parents must also ensure that their child attends the suitable full time education provided by the school governing body or the local authority from the sixth day of exclusion.

Parents are expected to attend a reintegration interview following any fixed period exclusion from primary school and any fixed period exclusion of more than five days from secondary school. Failure to attend may make it more likely that the court will impose a parenting order if the **school** or **local authority** applies for one.

9. WAVERLEY PRIMARY SCHOOL BEHAVIOUR POLICY

At Waverley Primary School, discipline is recognised to be a collective responsibility between parents, staff, governing body, children and other agencies involved with school. It is vital that the behaviour policy is clear, that it is well understood by staff, parents and pupils and that it is consistently applied. If this partnership is working effectively then we expect:

Parents

- To be aware of Code of Conduct and the Home/School Agreement
- To co-operate with school
- To ensure children's regular attendance and punctuality
- To encourage their children to show respect and support the schools authority to discipline children.

Staff

- The Headteacher fully supports the staffs' authority to discipline.
- To follow and apply the behaviour policy
- To be fair and consistent

- To develop an effective working atmosphere

Governing Body

- To deal with allegations against teachers and school staff quickly, fairly and consistently in a way that protects the pupil and at the same time supports the person subject to the allegation.

Children:

- To move in an orderly manner around school
- To show respect for people and property
- To demonstrate appropriate levels of concentration and self-discipline
- To take responsibility for their own actions
- To co-operate with and respond to the schools code of conduct
- To be polite, considerate and caring

The desired outcome is that children will be motivated and enthusiastic, taking a pride in themselves and our school.

Through praise and encouragement, we aim to emphasise the following positive qualities:

- Kindness
- Consideration
- Tolerance
- Respect
- Co-operation
- Patience
- Empathy
- Good Manners

The following behaviour is considered to be unacceptable:

- Bullying - individual or group; verbal or physical abuse; taunting; mimicking (including Cyberbullying)
- Aggression towards pupils and adults

- Swearing
- Rudeness
- Stealing
- Refusal to follow adult instructions

We aim to encourage the children to exercise self-discipline and develop the ability to:

- Control their feelings.
- Take turns and share.
- Learn to interrupt only if, and when, appropriate.
- Listen and respond immediately to the adults/teacher's voice.
- Work independently and co-operatively.
- Work without disturbing others.
- Work consistently, always giving their best.
- Learn to develop conflict resolution skills.

10. WORK MATCHED TO NEEDS / PROMOTING SELF ESTEEM.

Staff aim to promote positive self-esteem by:

- Providing opportunities for children to work at their own level in order to achieve success.
- Helping children gain confidence in their own ability.
- Motivating children to improve their performance.
- Encouraging children to take pride in their achievements, sharing their ideas and skills with others.

11. STRATEGIES

In order to assist with the implementation of our discipline policy, **staff** should:

- Aim to be good role models.

- Supervise children to and from classrooms, into cloakrooms and to and from playgrounds. (Where possible year groups can work together)
- Remind children, as they leave classes, of expected behaviour when moving around school i.e. walking in single file - no running.
- Encourage toilet visits at breaks and lunchtimes.
- Encourage group/ring games in the playground, placing emphasis on taking turns
- Give reasoned explanations for the Code of Conduct and resulting sanctions
- Use key words for reinforcement e.g. kindness, care and consideration, sharing, friends.
- Use a common reward system throughout school with cents and dollars awarded for academic and non-academic achievement and effort.
- Praise individuals, groups, classes or Key Stages as and where appropriate.
- Ensure that resources are clearly labelled, easily accessible and that children have some responsibility for their care.
- Actively support parental involvement in school and remind parents that they have a valuable role to play.
- Ensure copies of the Code of Conduct are included in parental information booklets.
- Utilise present communication systems in school.
- Use identified procedures for non-attendance, persistent lateness.
- Involve outside agencies where necessary through consultation with the Special Needs Coordinator.
- Arrange discussion/counselling in school with member of Inclusion Team.

12. CLASSROOM MANAGEMENT AND PROCEDURES

To promote good discipline within the classroom staff should aim to:

- Establish defined classroom areas.
- Label resources clearly and make them easily accessible.
- Design classroom layout to facilitate ease of movement.
- Organise and adhere to consistent classroom routines e.g. lining up, sitting correctly.

- Place emphasis on independent learning.
- Be well prepared and organised.
- Allow adequate time for tidying up.
- Make expectations clear to children and parents, when applicable.
- Share responsibilities between all children.
- Avoid shouting, use eye contact, gesture, etc.
- Maintain a quiet, calm atmosphere.
- Encourage children to raise their hands rather than interrupt.
- Send children to collect resources in small groups.
- Collect and greet children before the start of each lesson.
- Involve children in the organisation of systems wherever possible.
- Be positive e.g. use of 'please walk', rather than 'don't run'.

The use of Golden Rules is now in place in all classes in the school. **This is based on the principle that everyone has a right to learn and a responsibility to allow others that right.**

The children agree to abide by these rules and understand that if they do not adhere to them there is a procedure that is followed fairly and consistently for everyone.

The school has six Golden Rules. These are revisited regularly at school level (usually collective worship), class level and with individuals.

The rules are:

- We will be gentle
- We will be kind and helpful
- We will respect other people and their property
- We will listen to people
- We will be honest
- We will work hard.

13. POSITIVE BEHAVIOUR MANAGEMENT

Behaviours which may signify emotional and behavioural difficulties

There are a number of behaviours which may signal the need for special provision. Most obviously these include bullying, disruptive behaviour and poor temper management. Less obviously these include poor motivation, poor organisational skills and poor concentration.

The most important cause of behavioural difficulties – Limited Self-Esteem

The most important cause of behavioural difficulties in children is their limited self – esteem. Children often have life experiences which make them feel that they are not loved, cared for, valued or seen as special by others. This can inform their behaviour patterns, which may have a negative influence on the way people react to them, which ultimately reinforces their low self-esteem. A vicious circle is established, which many pupils lack the insight or the power to break.

Pupils with low self-esteem may display their insecurities by

- Becoming either boastful or over self-critical
- Becoming aggressive or withdrawn
- Looking for ways to avoid new academic or social challenges
- Finding it hard to relate appropriately to others and appearing uncomfortable in unfamiliar company or situations
- Experience difficulties in making friends.

Dealing with emotional and behavioural difficulties in school

Behavioural difficulties in school may, sometimes, need to be dealt with by the use of sanctions. In the short term, sanctions can stop inappropriate behaviour. However, they must be used sensitively, and the emphasis should be on supporting and rewarding pupils instead.

Pupils with low self-esteem can be very demanding and many of their behaviours can alienate those who are trying hardest to support them. However, the need to adopt positive behaviour management strategies is central to helping them acquire more appropriate patterns of behaviour.

Concentrating on pupils' failings is likely to damage their self-esteem and have a negative effect on their development. Reinforcing good behaviour or celebrating achievements by giving pupils your time, approval and attention is likely to have a positive influence on their global development within and beyond their school years.

TEN SIMPLE GUIDELINES FOR POSITIVE BEHAVIOUR MANAGEMENT

1. Establish a friendly, positive, supportive relationship with the pupils in your care.
2. Make sure, wherever possible, that pupils are doing purposeful and appropriately differentiated activities that they enjoy.
3. As soon as it occurs, reward positive behaviour with attention and praise. 'Catch them being good'.
4. Where possible, identify when behaviour problems are likely to arise and try to divert to modify the pupils' behaviour before discipline is needed.
5. Know the Golden Rules and the reasons for them. Be clear, firm and polite about the behaviour boundaries.
6. Know what sanctions you can use, but try to avoid using them – especially if a quiet word or reminder will do.
7. Always remain calm when you speak to pupils. This will help you maintain your authority and confidence and keep your relationships with them positive.
8. Avoid telling a pupil off in public.
9. Avoid the use of sanctions when support strategies will suffice.
10. Use the school's monitoring, report and behaviour referral systems so that you support each other in addressing the individual pupil's needs and those of the whole school.

14. BEHAVIOUR MODIFICATION

This process can be used with individual groups of children, classes or year groups as appropriate. All members of staff involved with the target group should work corporately and consistently.

Intervention Techniques

The following intervention techniques can be used in the development of individual programmes for specific children with behaviour problems after consultation with Senior Management and Special Needs Coordinator.

- **Ignoring** i.e. where practical ignore inappropriate behaviour, praise appropriate behaviour (role models).
- **Positive Questioning** e.g. what are you doing?, what should you be doing?, Good you know what to do so can you do it,

- **Positive Choices** If you do this, then this will happen (positive outcome) If you choose to do this, then this will happen (negative outcome). Now you choose what you are going to do
- **CPOMS** is used to record incidents of Level 2 Descriptors + from the Doncaster Cross Phase Behaviour Thresholds
- **Assertive discipline** React confidently and quickly in situations giving firm clear, concise directions to pupils in order to maintain acceptable standards of behaviour.
- **Compliance Training** i.e. provide practice in following instructions in settings where praise can be given. Use of games - Follow My Leader, Simon Says, etc.
- **Code of Conduct/Rules** i.e. positively phrased - incompatible with undesirable behaviour. Take the rule and provide examples. Use praise for positive actions.
- **Modelling** i.e. indicate role models displaying appropriate behaviour. Adults to be good role models.
- **Distraction** i.e. if a difficult situation is likely to develop distracting the child's attention, e.g. give a specific task, send a message, etc.
- **Time Out** .i.e. pupils given 'time out' – an opportunity to work under supervision but away from the classroom situation or a period of reflection, standing alone on the playground during playtime within sight of the teacher or supervisor.

15. MALICIOUS ALLEGATIONS

Allegations of abuse will be taken seriously, and WPS will deal with allegations quickly in a fair and consistent way that provides effective protection for the child and supports the person who is the subject of the allegation. Every effort will be made to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated. Suspension will not be used as an automatic response when an allegation has been reported.

16. CONFISCATION OF INAPPROPRIATE ITEMS

There are two sets of legal provisions, which enable school staff to confiscate items from pupils:

The **general power to discipline** enables a member of staff to confiscate, retain or dispose of a pupil's property as a punishment and protects them from liability for damage to, or loss of, any confiscated items.

Power to search without consent for "prohibited items" including:

- knives and weapons
- alcohol
- illegal drugs
- stolen items
- tobacco and cigarette papers
- fireworks
- pornographic images
- any article that has been or is likely to be used to commit an offence, cause personal injury or damage to property
- any item banned by the school rules which has been identified in the rules as an item which may be searched for.

17. USE OF REASONABLE FORCE

The legal provisions on school discipline also provide members of staff with the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others or damaging property, and to maintain good order and discipline in the classroom. Head teachers and authorised school staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm. Force **cannot** be used to search for items banned under the school rules.

School staff have a legal power to use force and lawful use of the power will provide a defence to any related criminal prosecution or other legal action.

Suspension should not be an automatic response when a member of staff has been accused of using excessive force.

Senior school leaders should support their staff when they use this power.

Please Note: Parental consent is not required to restrain a pupil.

WHAT IS REASONABLE FORCE?

- The term '**reasonable force**' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with pupils.
- Force is usually used either to control or restrain. This can range from guiding a pupil to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury.

- 'Reasonable in the circumstances' means using no more force than is needed.
- As mentioned above, schools generally use force to control pupils and to restrain them. **Control** means either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of a classroom.
- **Restraint** means to hold back physically or to bring a pupil under control. It is typically used in more extreme circumstances, for example when two pupils are fighting and refuse to separate without physical intervention.
- Only teachers trained in '**Team Teach**' will physically manage children. This will go onto CPOMS and reported to parents.

STAFF TRAINING

The Headteacher should consider whether members of staff require any additional training to enable them to carry out their responsibilities and should consider the needs of the pupils when doing so.

e.g. '**Team Teach**' Training

In deciding what is a serious incident, teachers should use their professional judgment and also consider the following:

- the pupil's behaviour and level of risk presented at the time of the incident;
- the degree of force used;
- the effect on the pupil or member of staff;
- the child's age.

WHAT HAPPENS IF A PUPIL COMPLAINS WHEN FORCE IS USED ON THEM?

- All complaints about the use of force should be thoroughly, speedily and appropriately investigated.
- Where a member of staff has acted within the law – that is, they have used reasonable force in order to prevent injury, damage to property or disorder – this will provide a defence to any criminal prosecution or other civil or public law action.
- When a complaint is made the onus is on the person making the complaint to prove that his/her allegations are true – it is **not** for the member of staff to show that he/she has acted reasonably.
- Suspension must not be an automatic response when a member of staff has been accused of using excessive force. Schools should refer to the '*Dealing with Allegations of Abuse against Teachers and Other Staff*' [DFE-00061-2011] guidance

where an allegation of using excessive force is made against a teacher. This guidance makes clear that a person must not be suspended automatically, or without careful thought.

- Schools must consider carefully whether the circumstances of the case warrant a person being suspended until the allegation is resolved or whether alternative arrangements are more appropriate.
- If a decision is taken to suspend a teacher, the school should ensure that the teacher has access to a named contact who can provide support.
- Governing bodies should always consider whether a teacher has acted within the law when reaching a decision on whether or not to take disciplinary action against the teacher.
- As employers, schools and local authorities have a duty of care towards their employees. It is important that schools provide appropriate pastoral care to any member of staff who is subject to a formal allegation following a use of force incident.

18. REWARDS

We aim to reward positive rather than emphasise negative attitudes to behaviour and work. It is important to keep this philosophy in perspective. For the majority of children this approach will work, sanctions should be needed only for a minority of children.

It is essential that the main focus for rewards and sanctions should be within the classroom, extending to SLT where necessary. They should be applied in a fair and consistent manner with appropriate parental involvement.

These can be given to individual children, small groups, classes or year groups as appropriate.

Rewards can include the following:

- Written praise e.g. a positive comment on work, report,
- Verbal praise e.g. to the child, parent, another adult in school
- Peer group praise e.g. a clap, name read out in class assembly
- Cents & dollars, certificates for academic and non-academic achievement
- Headteacher award e.g. Star of the Week
- Golden Rules certificates
- Leaves for the 'Tree of Kindness'
- Acknowledgment in Achievement Assembly

- Special responsibilities e.g. being a monitor/Buddy/WPI/School Councillors/Anti-bullying ambassadors/Behaviour Ambassadors

19. SANCTIONS

The following can be imposed by the Class Teacher:

- Gentle reminder (Golden rules)
- If the child continues they will be given two further warnings, child will move name to amber possibly separate from group within class. However, if the child displays an act of aggression or is disrespectful to an adult child will move name straight to red (If name is on red child will miss playtime).
- If behavior continues the child will be given two further warnings and then the child will move their name to red.
- If behavior continues whilst the child is on red the child will be escorted to another class with work to be completed.
- Parents informed and involved in the behaviour management process
- Use of report card after discussion with parent and SLT/Inclusion Team
- Repeat offenders refer to senior leaders and behavior support plan considered.

If children are on amber or red their name will move back to green at the start of the morning and afternoon session. If they have achieved star level they can remain on the star all day.

Dinner time sanctions

Yellow cards and red cards will be used. Children will be given a yellow card as a reminder for the child to be able to modify the behaviour that they are demonstrating. If the child does not change the behaviour a red card will be given. A red card means that the child will miss their dinner time play. It may be necessary for the child to miss the play of the next dinner depending on the time of the incident. If a child has shown any act of aggression or physical violence the child will receive a red card straight away.

Further Sanctions

In addition the class teacher can seek the involvement of the Headteacher. The Headteacher can impose further sanctions.

- For serious and continual bad behaviour it may be necessary to arrange a managed move for a fixed time. This would normally be to a school within the

pyramid. A parent would be expected to attend with the pupil on each day. This decision will not be taken lightly and only after every other possible avenue has been explored. Very careful arrangements will be made to ensure that any child returning to school after exclusion is helped to settle back into school.

- Ask parents to escort children to and from the premises before and after school, on safety grounds
- Fixed exclusion
- Permanent exclusion
- Exclusions will be carried out in accordance with LEA policy and Governors directive and be used in only the most serious cases. It should provide a period of time for the consideration and solution of a problem. A short period of exclusion allows an opportunity for all interested parties to come together.
- Prior to the exclusion of a child these steps must be taken:
 - Full consultation with parents well before the stage of considering exclusion is reached unless in response to a serious incident
 - Full consultation with all relevant staff about the child's problems
 - Involvement of the child where appropriate including reasons for action taken
 - Discussion with the Educational Psychologist and/or outside agencies
 - An opportunity for parents to present their case
 - Pastoral support plan written.

20. STAGES OF INTERVENTION

The school's discipline procedures can be summarised into five stages. These stages of intervention should be logged and dated in the Concern Files.

Stage 1

- The class teacher supports the child and encourages them to develop strategies which will assist them to resolve their own difficulties.
- If there is no improvement assistance should be sought from another adult in school
- If there is no improvement the child should be informed that parental contact will be made by the class teacher and the reasons should be made clear.

Stage 2

- Joint intervention by the class teacher and parents. The child should be included in discussions as appropriate.
- If there is no improvement the class teacher should inform the parents and child that the matter will be referred to the Head of Department, stating the reasons why.

Stage 3

- Discussions between Head of Department and parents, involving the child as appropriate, to try and resolve the problem. The Deputy Headteacher may become involved if a resolution cannot be reached. IEP written if appropriate.
- If there is no improvement, the Head of Department or Deputy Headteacher should inform the parents and child that the matter will be referred to the Headteacher stating the reasons why.

Stage 4

- Discussions between the Headteacher and parents involving the child as appropriate. The class teacher, Head of Department or Deputy Headteacher to be included as necessary. Involvement of appropriate external agencies may be considered.
- A contract may be agreed between school, parents and child.
- If there is no improvement the Headteacher should inform the parents of any further action which is likely to be taken, stating the reasons why.

Stage 5

The Headteacher refers the matter to the Governing Body giving account of the action taken by school to date, supported by logged information.

21. PROCESS AND RECORD KEEPING

- Where behaviour is persistently below the standard required the pupil will be entered on the Special Needs register at 'Pre Action' and strategies set up by the class teacher. Informal notes will be kept by the class teacher and may be discussed at consultations with the parents or at other informal meetings.
- If the problem is more serious the child will move to 'School Action' when strategies will be reviewed and careful monitoring of events takes place to establish causes, patterns etc. Strategies will be discussed with all who work with the child, the parents and the child themselves where age is appropriate. This will include setting up an IEP (Individual Education Plan) for that pupil.

- Monitoring systems may be used to assess causes, frequency and outcomes of poor behaviour. E.g. ABC, Antecedent, Behaviour and Consequences, approach to behaviour patterns, timetable based monitoring.
- If the behaviour does not improve the child's name moves to 'School Action Plus'. This step will be discussed at one of the regular School Based Review meetings. The Individual Education Plan is continued. TA time and midday supervisor support may be allocated to implement strategies to improve behaviour. External agencies may be involved.
- Where pupils reach School Action Plus and above, a personalised approach may be adopted whereby a framework of rewards and sanctions is agreed with everyone working with that child.
- At all times parents are kept informed and encouraged to be active partners in the strategies to meet the child's needs.
- In extreme cases where behaviour is not improving in response to the above strategies, the head and Senco may be set up a Pastoral Support Plan with a view to preventing the child from being excluded. This plan will involve the parents, pupil, teachers and TAs and any external professionals involved with the child.
- *In very extreme circumstances, the Headteacher may exclude a child from school either for a fixed period or indefinitely.*

(For more information on exclusions, please refer to LPS Exclusion Policy)

22. REVIEW AND MONITORING

This policy overlaps with other policies and should be reviewed in conjunction with those policies, in accordance with the schools review cycle.
