

Important Reminders

PE

Please ensure that your child brings a full PE kit consisting of a white t-shirt, black shorts and trainers at the start of every week so that they can participate in all PE/Sport activities. P.E kit should be taken home on a Friday to be washed.

Homework

Homework is usually set twice a week. Maths will usually be set on a Tuesday to be submitted by Friday. Literacy or other topic based homework will be given on a Friday to be handed in Tuesday. I would be most grateful if you could sign and date your child's homework diary. Also, please feel free to leave comments.

Reading Diaries

Your child's reading diary will be checked on a daily basis. Please read with your children at home and ensure diaries are brought into school every day.

How you can support your child's learning at home:

- Spend time reading/sharing a book with your child.
- Read your child's school reading book with them daily and comment in their reading diary.
- Use the local library to encourage reading and support topic work.
- Practise times tables given by the teacher
- Use everyday opportunities to reinforce problem solving in their head.
- Try not to impose teaching methods you experienced at school – ask the children to explain their methods to you.
- Practise spellings given by the teacher
- Encourage your child to talk about their learning
- Ensure that they have a quiet and suitable space for the completion of their homework.
- Encourage them to collect together the things they need for school, including their homework. This will help to develop their independence.
