	action	Impact
PPA cover	142 lessons delivered to teachers and 2 HLTA'S	Topics covered have included gymnastics, invasion games,dance, target games and multiskills. We have covered the following areas of the curriculum: performing dances using a range of movement patterns, mastering and combining fundamental movement and physical skills, playing modified and traditional competitive games (team and individual), understanding attacking and defending, learning to evaluate and improve knowledge and skills.
Extra curricular clubs	Pupils have attended our extracurricular clubs throughout the year, with an average of 70 every single week.	We have engaged them with sports such as dodgeball, handball, tag rugby, cricket, tennis, fitness circuits, basketball, netball andfootball Many of the children who attended the club have represented the school in competitions, as well as attending community club sessions we arrange with local teams.
Inter school competitions	Pupils have represented the school at these competitions.within the pyramid.	This year we have organised inter school competitions in Y5/6 boys football, Y5/6 girls football, Y3/4 dodgeball, KS1 mini athletics, Y5/6 and Y3/4 boys and Y3/4 mixed rounders.
Intra school competitions	Every child in school has taken part in at least one of these competitions.Including whole school 'Race for Life'event	LA report in to school sport,showed a strong association between the quality/ quantity of competitive sport offered and the academic achievement of pupils as well as the wider success of the school.
Sports Camps	Over 50 hours of physical activity, sports camp is a perfect way to keep healthy and active in the school holidays.	Pupils were once again invited to attend our Active Fusion Sports Camps hosted at Waverley Academy

Waverley Academy

		The children who attended had a fantastic week and it is a rare opportunity for them to forge new friendships with children from other schools.
Sports leadership training	Collaboration, teamwork and empathy were just some of the key values taught through the Playground Leaders Programme.	A number of KS2 pupils lead games for the younger children on the KS1 playground. Playground Leaders have made a significant impact, with lunchtimes now more physically active and creating a more harmonious playground environment.
CPD for staff	We have delivered approximately 76 CPD lessons working with 7 different teachers in the school.	We have worked with staff to develop their teaching of physical education in areas such as subject-specific knowledge, maximising progress, how to differentiate activities, enhancing pupils' fitness, ideas for warm up games and other activities.
